Subject: Letter of Support from All India BSNL Other Backward Class (OBC) Employees Welfare Association to AIGETOA in 3rd MV of BSNL and appeal to all OBC executives to vote for AIGETOA.

Dear Verma Ji,

First of all I extend my good wishes for the endeavors taken by AIGETOA for the betterment of Executive fraternity. We have been observing you for long and we are witnessed to the honest efforts taken by your association for the resolution of various issues pertaining to the executives including the long pending HR issues.

AIGETOA was started in an era when there was strong presence of other associations like SNEA who were having the major membership of BSNL Executives at that time but with your commitment, dedication and conviction to work for the welfare of the executives, AIGETOA created a formidable presence at that time also and has now become the leading choice of executives spread across BSNL from various grades and streams.

Seeing your sincerity, commitment and efforts for the fraternity in last three years as Majority Association, our association is of the view that AIGETOA not only can fulfill the aspiration of BSNL Executives but also will secure the interest of BSNL in long run. Further the approach of your leadership, the dynamism in thought process and the capacity to take immediate strategic decisions in the quickest possible time, creates an added advantage to your pursuance for the issues. The latest one being the decision of AIGETOA to align as affiliate of BMS which has given new hopes to BSNL executives for resolution of the long pending Financial and HR issues. We feel that AIGETOA is the best equipped association amongst all for ensuring the resolution of critical issues like implementation of 3rd PRC for BSNL, Standard pay scales of E-2 & E-3, sufficient promotional avenues to ensure smooth career progression for all and pensionary benefits pertaining to all the BSNL Employees including the 30% SAB. We believe that your association will lend extensive and sincere support to us for the welfare of OBC Employees of BSNL.

In view of the above, we wish to convey our whole hearted support to AIGETOA in the forthcoming 3rd Membership Verification for Executives in BSNL. **We shall be appealing to our fraternity to VOTE and SUPPORT AIGETOA.**

Wishing you all the success.
