## **Do's & Don'ts for Our Organizational Action to Secure Right & Respect of Qualified Direct Recruits**

### **Do's:**

- Be confident.
- Be positive.
- Believe your representatives.
- Participate and execute every call of association.
- Contact your direct recruit's friends and share the information about the issues and action of association.
- Motivate each and every direct recruit to participate this revolutionary agitation.
- Support each other in case management is targeting any one of us vindictively.
- Get ready for any consequences in fight of respect and right.

### **Don'ts:**

- Don't believe in rumors.
- Don't be trapped in "divide and rule" policy of management to weaken our movement.
- Don't be prejudice to anyone.
- Don't target and comment on any particular group or person.
- Don't fear about CDA rules and guidelines in the fight of respect and rights.
- Don't fear about vindictive action of management.
- Don't calculate and compare your personal benefits.
