Dated 17.07.2020

To,

BSNL Corporate Office,
BSNL Bhawan, Janpath, New Delhi.

Subject: Ensuring fairness in entry of subscription forms as report of malpractice and pressure used by controlling officers to withdraw/fill duplicate forms of sister association has been reported by various Circles- Immediate intervention solicited and direction for enquiry in case of any malpractices, backdating acceptance by DDO is requested-Reg.

Respected Sir,

We are constraint to apprise that subscription changeover window has been closed on 15.07.2020 but the officers, who joined AIGETOA, are being subjected to threatening and harassment as reported by our Circles OBs at various places. The en-mass joining of executives to AIGETOA in changeover window is not being digested by many corners and it is being reported to us that some of the controlling officers and other officials posted at key locations in the SSA/Circle have misused their official position to pressurized executives to withdraw the subscription of AIGETOA and pressed them to fill the subscription form of sister associations on the last day. It has also been reported that even after lapse of the window, our newly joined members are being subjected to mental harassment on one reason or other and they are being pressurized to disown the new forms filled and give an application to continue in previous association and such activities are continuing even after closer of the window.

In this regard we lodge our strong protest and would like to draw your kind attention to suitably direct field units to ensure proper harmony and the officers resorting to such unethical practices should be dealt strictly else otherwise it may disturb inter-personal relation of the working place. All DDOs may also be directed to discharge their duty honestly & impartially irrespective of his/her allegiance to any association as well as without fear or favour to any association

Therefore, we once request for issuance of suitable direction to the field units to upheld rule of law in transparent and impartial manner by the officials posted at various key positions instead of favour to any group/association to maintain the office decorum and professional behavior in working place.

With warm regards,

Sd/--
