**Congratulations to all:** New JTO (Telecom) Recruitment rules 2014 notified. We extend our gratitude to CMD, DIR(HR) and the officers of Esst wing for this mile stone. This RR has been framed during 2014 by Sri R. K. Goyal, when he was the GM(Estt). He had several interactions with the Association to give clarity on fixation of seniority, inter-se seniority between Dept promotes and direct recruits, recruitment year/vacancy year, allotment of recruitment year for direct rects, recruitment process, method of recruitment, qualification etc. All the suggestions given by the Assn accepted by the management resulted in notification of RR clearly stating all the provisions without any ambiguity.
